LOGAN HIGH SCHOOL

FOREWORD

Mass education would not be possible without the wonders of the printing press which produces the millions of books used in high school classes in the United States.

At Logan Senior High School we not only benefit from the fruits of the press, but we also try our hand at writing for publication by issuing a newspaper and a yearbook. Orby Moss, under the direction of Miss Elizabeth Millam, has created figures from this newspaper to introduce our yearbook readers to the various segments of our school life which could not exist without Mr. Gutenberg's marvelous invention.

EDITOR-IN-CHIEF
Bill Rinartz

WILLY'S WIZARDS

Time: 5:30 P.M. Place: Publications Room, Logan High School, La Crosse, Wisconsin. Project: Logan **Winneshiek,** 1959 edition. Reason for rush action: Deadline tomorrow.

The frenzied editor-in-chief was Bill Rinartz. His job began in May of his junior year, when he was chosen to be editor-in-chief of the 1959 edition of the Logan **Winneshiek.**

All summer long, Bill spent his spare time drawing up a dummy annual. He carefully measured for all pictures, write-ups spaces, and pages. As soon as school began, the staff was called together and work was begun.

The first item of business was the choosing of the cover for the yearbook. Next, each sub-editor selected his staff.

As soon as the students pictures had been taken, the **Winneshiek** business staff went to work. Under Mr. Charles Burchs' able assistance, Donna Harget, Donald Hoover, Mary Hetland, Nancy Jenks, Buzz Abraham, Karen Currie, Nancy Keller, and Carol Rethlefson sold pictures to the students. These people were also responsible for soliciting business places for funds for our annual, and for selling the annuals when they arrived from the printers.

Next in order of business came the busy composition staff, under composition editor, Dave Tostrud. Marian Johnson, Shirley Radde, Marlene McHenry, and Mary Molstad spent many long hours after school working. They arranged and pasted all students' pictures in alphabetical order.

Following this, Judy Kraft, pictures librarian, set up a picture-taking schedule for Don Rice and Gary Regez. She also filed these pictures.

Also, during this time, Joanne Harget, write-up editor, assigned all of the articles to accompany organization pictures. On her staff were Karen Knutson, Ann Wartinbee, Keith Larson, Rosella Kelley, and Karen Johnson. Their articles had to be collected and checked by her before they could be turned over to the editor-in-chief for final pasting up in the completed dummy.

Dave Larson, boys' sports editor, and Marian Johnson, girls' sports editor, had to follow the same procedure for their sports activities. They also chose the action shots which were included on their pages.

Barb Jenks, index editor, was responsible for a complete listing of the student body, and for recording the page numbers on which each student appeared. She was also responsible for the seniors activities, and the teachers' biographies.

Art editor, Orby Moss, drew all the pictures in between sections, and lining for the covers under a chosen theme.

Advisors are: Miss Patricia Mahoney, publication advisor; Mr. Charles Burch, business advisor; and Mr. Walter Ranis, photography advisor.

SENIOR HIGH REPRESENTATIVE

Logan's outstanding organization is its governing body, the Student Council. Each home room is represented at meetings by a student member.

The Student Council meets every Thursday afternoon. The meetings are conducted and kept in order by President Joel Urban. Other officers are: Orby Moss, vice-president; Barbara Jenks, secretary; Sandra Finanger, treasurer; Sandra Jenks, senior-representative. The organization is advised by Mr. Raymond Sauer.

One of the big projects of the Student Council every year is the prom. In co-operation with the art department, the Council decorates the gym for this formal dance which usually takes place in May. This event is one of the most exciting during the year.

In November, the Council sponsored a drive for CARE. Members collected donations from students and the Student Council added a like amount from its treasury. The money was then sent to CARE, and it bought 792 pounds of food which was sent to people in Italy, India, and Hong Kong.

Another charity the Student Council promotes is the Save the Children Federation drive. Students brought clothing to school where members of the Council bundled it, and the bundles were sent to the needy.

During Christmas time, the Council placed and decorated two Christmas trees in the auditorium as well as providing main hall decorations.

At every sports' event the Student Council operates the concession stand. This is its main enterprise for raising money for its treasury. The Council uses its finances for the benefit of the school. The Council helps finance some organizations that lack funds.

This year, for the first time, a student directory was published by the Council. This very informative and useful booklet, edited by Keith Larson, listed the names, addresses, and telephone numbers of the students and faculty of Logan.

Every spring the Student Council has elections for new officers. The week, set aside for campaigning, is educational as well as pleasurable. The parties, **Federalist** and **Nationalist,** each have a campaign manager, who, with the help of his staff, puts on a half-hour show in assembly. The manager does all in his power to advertise candidates in his party. There is a primary election in which candidates from both parties are elected. The final election decides who will be officers of the Student Council for the next school year. The most interesting after-election custom has the losing party's campaign manager getting a pie thrown into his face by the winning manager.

"When is the LOG coming out?" This is the inquiry of most Logan students, but the 40 members of the LOG staff are more likely to ask frantically, "How soon does the LOG come out?"

A typical issue, published once a month, may contain such items as reports of club activities, summaries of athletic events, information on "who's going with whom," important school happenings, and student opinions. The editors and staff try to print a newspaper which is interesting, educational, entertaining, and provides an all-around picture of school activities.

The editorial staff, chosen by the advisers from recommendations of the previous year's editors, has duties which are many and varied. First the editors decide upon the publication date and set their deadlines accordingly. They determine what news and features will go into the next paper and assign the stories to reporters. When assignments are turned in, they are corrected for accuracy, grammar, spelling, punctuation, readability, and journalistic know-how. After being typed and before going to the printers, stories are checked once more. The final step is pasting up the pages as they appear when printed and writing headlines.

News editors Karen Knutson and Joanne Harget are responsible for filling pages one and three, and cover all straight news stories. Reporters are Sharon Lukwitz, Karen Johnson, Keith Larson, Mary Swords, Ray Moss, Jane Ruud, Mary Molstad, Marlene McHenry, Romell Stewart, Susan Schmuck, Lynda Bronson, Karen Jensen, Nancy Berg, Judy Corbett, Rosella Kelley, Judy Quinn.

Feature editor is Ann Wartinbee, whose material can be found on page two. This page has great variety, including editorials, gossip, and humorous writing. Feature writers are Keith Larson, Mike Main, Karen Graff, Pat Reagles, Andrea Moe, Karen Johnson, Karen Currie, Charlene Outcelt, Ray Moss, Romell Stewart.

Page four informs students of goings on in the Logan sports world. David Larson is sports editor, and he and Tom Nibbe do all of the writing for this page.

Before going to the printer, corrected assignments are typed in columns. LOG typists are Karen Graff, Pat Reagles, Andy Moe, Darlene Ellis, Pat Raith, Romell Stewart, Judy Cilley, Marilyn Lenox, Diana Grupp.

Don Rice, Gary Regez, and Keith Larson take many of the photographs which add interest to each issue of the LOG.

Under managers Don Hoover and Donna Harget, business staff members take ads which help pay for the LOG; and mail papers to other schools and advertisers. Mary Hetland, Nancy Keller, Nancy Jenks, Fred Abraham, and Carol Rethlefson serve on this staff.

LOG advisers are Miss Patricia Mahoney and Mr. Charles Burch.

B.E. CLUB

BUSINESS BUILDERS

One of the most helpful clubs to its members is the Business Education Club. The members are any students in the eleventh and twelfth grades who are taking a business education course. The club meets every second Wednesday of the month in room 112. The meetings are presided over by the president, Sharon Krenz. Rita Paulson is secretary, and Karen Johnson is treasurer. The programs that follow the business meetings are arranged by Pat Gora, Judy Fairbanks, and Barbara Jenks. The programs are interesting and helpful to the members. Guest speakers are often included on the agenda. These speakers are people who are active in the business world, sometimes Logan alumni. Their talks are very helpful to the girls, and the discussion periods which follow answer any questions in which the girls might be interested.

One objective of the club is to help guide the girls in their efforts to become good secretaries and stenographers. Another objective is to help the girls learn how to improve their appearance and personality. To the girl applying for a secretarial job, appearance and personality are very important factors. Throughout the year, all the members are called upon to contribute something to the welfare of the organization, whether it is participating in a skit or bringing candy for a candy sale.

Among the programs that have been given throughout the year was a skit depicting the "Good and Bad Secretaries." Barb Jenks was the first secretary, demonstrating all the wrong things to do when taking dictation from the boss. Marilyn Dobbs was the second girl, showing the correct way to take dictation. The boss was Romell Stewart. The narrator of the skit was Pat Gora. For the Christmas program, game sheets were handed out and all of the members participated. On other occassions, movies were shown on "Safety in the Office," and "Do I Want to be a Secretary?" There was also a discussion of job opportunities and requirements in the La Crosse area by a member of the state employment office.

During American Education Week the business education department took part in a P. T. A. program. Some of the members of the club put on a shorthand demonstration. They also presented this same program in a downtown store window.

The advisor of the club is Miss Helen Gilson.

LATIN CLUB

The Latin Club of Logan High is growing each year. In the three years since it has been organized, its membership has increased so that now it has a record enrollment. It is made up of first and second year Latin students who, if they wish to belong, pay dues of fifty cents a year.

Each Latin class is a branch of the general club. The general club meets at least twice a year and more if necessary. The meetings are held during the noon hour, giving an opportunity to lunch together. The officers of the general club are: Lynda Bronson, president; Mary Munson, secretary; Donna Harget, treasurer; and Neil Hovind and Nancy Berg, program chairmen. Dues are not paid to the general club but to the branches.

The three branches meet individually in their own class hour every second and fourth Thursday of the month. They hold meetings and conduct programs, which range from Latin spelldowns and crosswords, to topics and stories of Roman times given by a member of the class. Each branch also has its own officers. In the second year class the officers are: Chet Britt, consul; Barb Allen, scriba; Mary Munson, quaestor; and Karen Luedke and Neil Hovind, aediles, or program chairmen. In the first year classes are: Monte Beck and Mike Main, consuls; John Miaer and Karen Jensen, scriba; Don Hoover and Charlene Outcelt, quaestors; Gail Wardwell and Dave Zluticky, Donna Harget and Rich Mehlum, aedile.

Each class has its own treasury and makes money through candy sales and other money making activities. The treasury money is used for paying for the Latin banquet and other club expenses.

The general chairmen of the banquet were Don Hoover and Dan Schaller. Donna Waller and Gail Wardwell were chairmen of the food committee and Anita Hendrickson and Marcee Swartz supervised the decora- Sharon Michaels, and Donna Harget and John Maier tions. The program chairmen were Nancy Knight and were in charge of the slaves.

Mr. Waldron Rosheim is advisor of the club.

Quiet, efficient, and never slow;
They tend the books, row by row.

"Quiet" is the password to the Logan Library, and each member of the Logan Library Club has had to learn that characteristic. Their work in the library consists of checking books in and out, filing, preparing books for circulation, inventory, checking periodicals, typing letters, book and catalog cards. As a working body of student librarians, they carry out their objectives which are: to provide all students with books, and with materials to foster their education; to provide information, research, and an appreciation of good reading.

They do many of the little things which the students take for granted, and always assume are necessities of an active library.

The girls also form an active social club, for being a student librarian does not make all work and no play. The club has increased greatly in size during the past few years, and looks forward to an even better year in the next school year.

Their activities are many and varied. Parties are held for special occassions, such as Halloween and Christmas. A tea is given to which they invite all the teachers. In the spring, the girls take to the open, and go picnicing in one of the local parks. The graduating seniors "go out to eat" at a restaurant.

Awards are given at a candlelight ceremony, newly installed as one of the club's traditions. A girl receives the awards on a point system basis. She may be in either the tenth, eleventh, or twelfth grade if she has enough points to receive her pin. Pin guards are given only to the seniors with enough points, and this is reserved as a special honor for them.

Officers are Carol Rimmert, president; Sharon Hauser, vice president; Sandy Schultz, secretary-treasurer; and Judy Corbett, Log reporter.

Under Logan's librarian, Mrs. Odette Peterson, the girls form the vital working staff at Logan High School.

The Logan library is to be used and enjoyed, to do special assignments in reference work, to catch up on periodical reading, or just to browse. The Library Club hopes to make books an interesting part of every student's life.

HANDS THAT HELP

"Hands that Help" is a fitting title for the Logan Senior Red Cross Council. Their projects are designed to aid not only those people in our own area who can use a helping hand, but also those people abroad, with whom none of us will ever become acquainted.

The council is composed of two students from each sophomore and junior homeroom, and three from the senior homeroom. It meets during home room on Thursday under the direction of Mr. Joe Thienes, who is in his first year as the council's advisor.

Helping him are these officers: Nancy Berg, president; Rich Prinsen, vice president; Joanne Harget, secretary; and Mary Swords, treasurer.

The first task the council undertook was the annual enrollment drive. Under the chairman, Linda Hansen, posters were displayed throughout the halls, and the announcements publicized the drive.

Seven homerooms reached the one hundred per cent goal. This fund was the source of finances for all of the projects carried out during the year.

A new idea this year was that of sending a Thanksgiving basket to a family in our own city. Some other projects are: a recording of the Logan music organizations to be sent overseas; a scrapbook, or album of pictures and stories about things the students do at Logan; art work from our art department, and gift boxes for foreign children.

These projects not only help to establish more friendly relations with our neighbors abroad, but also are acquainting them with our way of life. Through these things, the Junior Red Cross hopes to do its part in promoting world peace.

TERPSTRA'S TRACKERS

Under the direction of Mrs. Terpstra, the office pages spend their free periods, study halls, or homeroom periods gaining valuable office experience.

Many varied and necessary jobs are done by the girls, in order to assist Mrs. Terpstra, in running the student office. Aid is also given to Mr. Field, and to Mr. Martin the guidance director.

Messages are delivered from parents, teachers, and organizations, to students and teachers. Telephone messages are taken care of, packages delivered to the teachers, and guests of the school are shown to the office, or to a particular room to which they may wish to go.

Their most important duties are checking absentee passes, which are collected each period, and recording the absentees on a master sheet which is set up during the first period. Every third and fifth period, the announcements are typed and taken around to all of the classes.

This year, the office pages have an additional responsibility. Due to the fact that Mrs. Terpstra is absent for a few periods while teaching classes, the girls must learn to run the office well without adult supervision. This is proving to be valuable and helpful to the girls for future office work.

Nancy Neumeister has been chosen president of this year's office pages. Serving with her are: Candy Bangsberg, who is secretary; Pat Dacey, vice president; and Sharon Melvin, treasurer.

These girls, numbering 36, are chosen from the tenth, eleventh, and twelfth grades, on the basis of grades, manners, appearance, and willingness to work.

PIED PIPERS

Every noon, if you should happen to pass the auditorium, you will hear the sweet, mellow strains of the pipe organ. Yes, the organ students are again at work.

These girls have their lessons once a week, during the noon hour, and practice during their study halls, or after school. Since study hall is no longer held in the auditorium, the girls are able to practice during school hours, which has proven to be quite an advantage. All is not perfect, however, for the noon hour has been shortened, and it has been hard to squeeze two lessons into each lunch period. It has proven to be a successful year, however.

The girls, many of whom are organists in their own churches, or serve as organist at another church, thoroughly enjoy this opportunity to further their musical experience and also to improve their technique.

Each year, a number of girls are chosen to play for the annual Christmas program. Although this year it was not done, the girls have, in the past, recorded for one of the local radio stations. They also are given an opportunity to provide music for the Spring concert, or for anything else for which they may be called upon.

The Logan Pep Club is organized for the purpose of promoting good sportsmanship and boosting our school spirit. It is the hope of this organization that the example which they set will be a guide for the rest of the students attending the games.

At all "home" games, a section is reserved where Pep Club members may sit in order to cheer as a group. Throughout the year, skits are put on in the pep assemblies planned by this organization. Before the final Logan-Central basketball game, all of the senior members took part in the skit. By means of a gunny-sack chorus line, portrayals of the past, and a candle-bedecked birthday cake, tribute was paid to Dave Larson, the basketball team, and Logan High School. When School Spirit is on his death-bed, members busily nurse him back to health by prescribing a spirited campaign during which "peppers" appear on posters, in lockers, and in announcements.

This year Pep Club held many money making activities. Red and White Logan pins and pencils were sold, dances after games were sponsored, a car wash was held, and buses were chartered to out-of-town games. The annual Fall Festival, with Ann Wartinbee as general chairman, was again sponsored by Pep Club. In the assembly preceding the game, mums were pinned on the girls of the court by the cheerleaders and Pep Club officers. On the morning of the big day, members could be seen industriously transforming a lumber truck into a stunning float for the presentation of her majesty and her ladies-in-waiting to the public. During half-time festivities, miniature red and white footballs, autographed by our football stars, were presented to the court as the band portrayed "Around the World in 80 Days." When evening came, dancers entered the gala gym which was high-lighted by a huge white helmet throne. A glittering football rested in the center of the dance floor and red and white streamers came down from the ceiling to surround it. The walls were covered with multi-colored cut-outs of football equipment.

At ten o'clock the Court marched in to take its place for the coronation. Amidst drifts of confetti, King Ed Gilbertson crowned Dolores Tschumper Queen of the 1958 Logan Football Festival. Members of the court, Judy Kraft and Joel Urban, Pat Belfany and Jack Weber, Marilyn Lenox and Jack Fancher, Barbara Jenks and Bill Rinartz, Diana Grupp and John LaFleur, and Judy Young and Jerry Jensen, along with King Ed and Queen Dolores, led the next dance. Crown and scepter bearers were Sherry LaFleur and Steven Wardwell.

Working with Mrs. Marlene Martin, advisor, were the 1958-1959 Pep Club officers: President Ann Wartinbee; Vice-president Marilyn Lenox; Secretary Judy Ciley; Treasurer Mary Munson; and Co-chairmen of assembly skits, Pat Reagles and Andy Moe.

AMBITIOUS ATHLETES

Officers for this year's Senior Girls' Athletic Association were the president, Marian Johnson; vice-president, Rosemary Berger; secretary, Judy Fairbanks; and treasurer, Diana Grupp.

The aim of every girl in the Senior G.A.A. is to obtain a letter for her outstanding work in the club. A recently adopted constitution has added a point system. Each girl must earn a set number of points each year in order to keep her membership. A girl is allowed fifty points for each sport in which she participates, and if she has only two unexcused absences for total meeting. Bonus points are given to girls who do more than just their share. An extra twenty-five points is given to all officers other than the president. She receives a bonus of fifty points. Girls chosen as sportheads are capable leaders of a large body of girls and show good sportsmanship. Each sporthead receives an added bonus for her work in conducting the meetings for her particular sport, plus the sport of which she is the manager, which gives her fifty points. Winning team members are given twenty-five points to aid them in achieving their goal.

Upon earning five hundred points on an accumulative basis, a member receives a letter in the form of a large "L" with the letters G.A.A. written across the bottom. When a member receives six hundred fifty points and eight hundred fifty points on the same basis, she will receive first a silver and then a gold pin.

Such sports as badminton, volleyball, softball, basketball, tennis, and occasionally swimming are included in the G.A.A. season. Bowling is a popular sport in Senior G.A.A. Each week the girls participating in this sport meet at the Sports Bowl and compete against each other's team. Bonus points are given to the team in first place as well as each member of the team. Bowling averages are kept by the sporthead after each game. The girl with the greatest increase in her average is awarded a six inch gold trophy with her name and the club's initials inscribed on it. Receiving this trophy is quite an achievement for the girls. A new sport has been added to the program this year. Golf has been accepted by all members, and we are trying to include it in our agenda. Although we are confined to the old gym, each girl practices diligently with the hope of becoming a golfer.

An open house was held in February to help increase the membership. Basketball, volleyball, badminton, bowling, and shuffleboard were the activities made available to the girls. The open house was headed by Barbara Allen, the general chairman. Both old and new gyms were used. Refreshments were served to the guests after the evening's fun.

Each year delegates are chosen from the sophomore, junior, and senior classes to represent Logan at La Crosse State College along with numerous schools from all over the coulee region. A dance is held for the participants at the college, and the following day the girls take part in a variety of sports.

The Senior Girls' Athletic Association is a very rewarding and exciting club to which to belong.

DODO'S DEARS

Among the most active groups at Logan is the Y-Teens. They are a group of girls in the tenth through twelfth grades who meet every first and third Monday of the month in room 114. The Y-Teens are junior members of the Y. W. C. A. and many of their activities are connected with the Y. The dues for the year are seventy-five cents, which includes membership dues in the Y. W. C. A. The three goals of Y-Teens are to have each girl grow as a person; to grow in friendship with people of all races, religions, and nationalities; and to grow in love and knowledge of God. The program of the club is one of service, education, and recreation. The club has many activities that keep its members busy at all times. They sponsor dances and candy sales as money-making projects.

Grand March of the Valentine Formal.

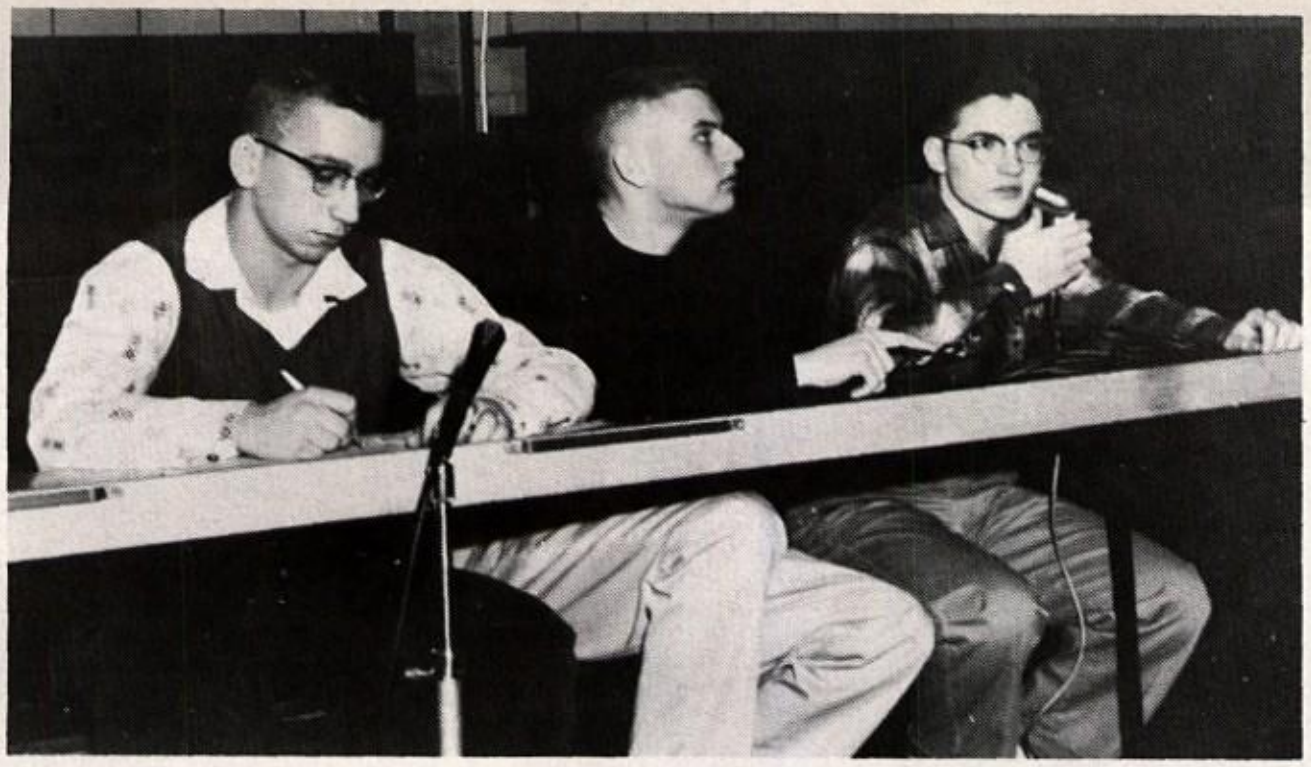
"A sleigh-ride to love."

Y-Teen officers Dolores Tschumper and Sharon Grimslid, escorted by Ed Gilbertson and Bob Slaback, lead the 1959 Valentine Formal.

The officers of the club are: president, Dolores Tschumper; vice-president, Sharon Grimslid; secretary, Mary Hetland; treasurer, Karen Luedke; and Karen Johnson, historian.

The highlight of the year was the Y-Teen Formal, held this year on Valentine's Day, February 14. The general theme was winter and love. Each member worked very hard to make this dance a success. The general chairman was Karen Johnson. Y-Teens is the only organization at Logan that is partly active in the summer. Each year delegates are sent to Pine Lake, Wisconsin, for a week of conference. The delegates this year were: Judy Young, city delegate; Dolores Tschumper. Lynda Bronson, Jean Main, Mary Hetland, and Sharon Grimslid.

The advisor of the club is Mrs. Elsie Vollenweider.



SOUND CREW

RANIS' RASCALS

Neil Duresky, Gary Lubinsky, and Duane Kidd are testing the equipment before a besketball game.

"We're waiting," says Mr. Field, and the chatter in the auditorium ceases. It is assembly time once again. What would happen if there were no sound crew at Logan? In the first place, we probably wouldn't have any assemblies, because no one would be able to talk so everyone could hear. The assemblies wouldn't be enjoyed much if the students couldn't hear the speakers.

These boys are responsible for setting up the microphones for all assemblies. They also record special programs, such as the Spring Concert and operetta.

They are responsible, also, for timekeeping and scorekeeping devices at the basketball games. Movie projectors are kept in order by this crew.

Awards are received for accomplishments in one year. Only one letter is given to a boy, but upon graduation, a gold microphone pin is given him to place on the letter.

This year Gary Lubinsky, Neil Duresky and Duane Kidd served on the crew.

They are under faculty adviser, Mr. Walter Ranis.

Do you remember the scenery from "The Monkey's Paw"? How about the operetta, "Blow Me Down"? Who sets up the chairs on the stage for the award assemblies, or for the reports from the Badger Staters? Why is there ever a lengthy pause between the time the orchestra closes its section of the program, and the choir appears on the risers?

These boys know the answers. On the stage crew are these seniors: Gary Christenson, Harold Miller, and Dan Smith. Juniors are Rich Lebold, and Milton Tyler; and John Yehle is the only sophomore.

It is their duty to know when to lower the lights for a special effect, or when to turn on red, green, blue or some other color to cast a certain lighting effect. When you see a spotlight on a certain person or group on the stage, you know that the busy stage crew is at work again.

These boys put long hours in on constructing and painting scenery. They make up a behind-the-scene crew that is definitely a must for any performance given on the Logan High School stage.

Mrs. Marilyn Somdahl is their advisor.

TWIRLERS

Under the direction of Colleen West, each member of the Baton Club practices, in the hope that some day she will be considered good enough to twirl with Logan's marching band.

The girls learn how to twirl, march, perform routines, and general showmanship. At the end of each school year, tryouts are held for positions with the band. A majorette is also chosen at that time. At these tryouts each girl must perform a routine of her own, and be able to follow any baton direction given her.

HOONGERAH

Newly organized at Logan this year, was the Hoongerah Chapter of the National Honor Society. Through the hard work of Karen Currie and the Student Council, a long-awaited goal was reached.

During a special assembly, the Honor Society pledged its new members, who were all in the eleventh and twelfth grades. Anyone wishing to be in the Honor Society must have at least a "B" grade average.

Officers are: Bill Rinartz, President; Chuck Rodell, Vice President; Colleen Haugen, Secretary; and Don Rice, Treasurer.

Here is a quick glance of the first meeting of the newly formed Honor Society.

GRIDIRON GREATS

The 1958 Logan Rangers completed the season with five wins and four losses. This was the first winning season in three years and the Rangers worked hard for it. The squad was headed by Coach Marshall Haugen, with assistance of coaches Jack Fendt and Bill Towner. Mr. Ardie Aarstad assisted the first two weeks by putting the rugged candidates through their beloved calisthenics.

Jack Weber and Ed Gilbertson were the co-captains of the team. They were selected by the players for their leadership and inspiring play on the football field.

Letter winners for the season were: Art Wienke, Jack Weber, Bill Rinartz, and Dave Larson, all receiving their third awards. Seniors receiving their second letter were Ed Gilbertson, Jerry Jensen, David J. Smith, and Joel Urban. Receiving their first letters were seniors Ron Butzman, Tom Griswold, Keith Larson, and Lauren La Fleur. Juniors receiving their second awards were: Earl Jensen, Bob Soller, and Darrell Washburn. There were five juniors receiving their first letters and they were: John La Fleur, Jim Beranek, Chuck Rodell, Loren Wardwell, and Bill Martin. Sophomores receiving their first letters included: Fred Abraham, Dale Conrad, Stan Johnson, Tom Nibbe, John Yehle, Ted Paulson, Monte Beck and La Vern Grimslid. Bob Tooley and Dennis Duckworth were awarded letters for their fine work as managers.

Some of our boys were given honors for their fine work on the gridiron. We had four players selected to the All-City Team. They were Bill Rinartz, Ron Butzman, Ed Gilbertson, and Jack Weber. Butzman and Gilbertson were also named to the All-Western Wisconsin first team. Butzman was second in city scoring as he racked up 72 points in 9 contests. Earl Jensen kicked 15 extra points which is quite an accomplishment.

Because of their fine play throughout the season, these four boys, Bill Rinartz, Ed Gilbertson, Jack Weber, and Ron Butzman were chosen to represent Logan on the La Crosse Tribune's "All-City Team."

LOGAN 6 — EAU CLAIRE REGIS 20

Logan got off to a bad start in their initial game of the season as a tough, experienced Regis team swept to a victory. Regis got all three of their touchdowns in the first half on runs of 61 and 74 yards and on a short pass play. Logan could never get a successful drive under way, and our only touchdown came on a Regis fumble which end Dave Larson picked up and scooted 71 yards to score.

LOGAN 38 — RICHLAND CENTER 13

After running into some difficulties in the first half, the inspired Rangers bounced back in the second half to score four touchdowns and defeat the Hornets.

The Rangers jumped off to a 12-0 lead as halfback Art Wienke scored on runs of 18 and 47 yards. Richland Center bounced back to make it 13-12 in their favor at the half.

LOGAN 19 — WINONA 7

Winona jumped off to a quick 7-0 lead before the Rangers caught fire. The Rangers then went on to score three touchdowns in the first half and coast to victory. All three touchdowns were scored by Ron Butzman on runs of 15, 24, and 45 yards. Armand Eggen, Jack Weber, and Ed Gilbertson were defensive standouts for the Rangers.

LOGAN 39 — CHIPPEWA FALLS 21

Led by halfbacks Butzman and Wienke, the Rangers had easy going. Wienke scored on runs of 53 and 14 yards, as Butzman scampered on runs of 70 and 30 yards. Guard Ed Gilbertson picked up a Chippewa fumble and ran 64 yards to pay dirt. Logan's final touchdown came on a screen pass from Rodell to Beranek that covered 64 yards.

LOGAN 13 — AQUINAS 37

The Aquinas Blue-Golds reigned as city football champs as they defeated our Rangers. Aquinas played brilliant ball as they racked up 383 yards compared to the Rangers 159. Logan's only drive came in the second half by Bill Rinartz. Butzman finally scored on a one yard plunge. On the final play of the game, Quarterback Rinartz fired a long pass to Butzman who carried for the Ranger's second tally.

LOGAN 47 — WINONA COTTER 12

Led by our speedy halfbacks, the Rangers downed a young and determined Cotter team. Quarterback Bill Rinartz scored the Ranger's first touchdown from six yards out. In the second quarter Butzman and Wienke ran 40 and 38 yards for touchdowns as the half ended. In the final half Joe Urban ran 45 yards, Tom Nibbe ran eight, and Jim Beranek scampered 30 and 27 yards, all for Ranger tallies. Cotter scored twice in the final period.

LOGAN 19 — CENTRAL 6

The Ark of Victory remained in the Ranger trophy case as Logan downed Central for the second straight year. Central got off to a good start as they took the opening kick-off and marched down the field to score. Logan started to roll in the second period. Ron Butzman scampered 25 yards on the option play to score. After the second half kick-off the Rangers ground out 75 yards and finally scored on a one-yard plunge by Butzman. A short punt by Central led to another Ranger tally as Logan gained possession of the ball on Central's 29. Halfback Art Wienke scored two plays later on a 23 yard jaunt.

LOGAN 7 — MENOMONIE 12

The Menomonie Indians led by fullback Bob Schroeder downed the Rangers with a goal-line stand. Logan's only touchdown came after Dale Conrad recovered a Menomonie fumble on the 19 yard line. Then Butzman passed to End Dave Larson who scored. Fullback Schroeder scored both of the Indian's touchdowns on a run of 6 yards and a 43 yard pass play. The Ranger's last-quarter drive, which ended on the four yard line, was led by Rinartz who passed to Art Wienke and then to Jack Weber.

LOGAN 7 — CAMPION 26

Logan finished the season with a 5 win, 4 loss record as Prairie du Chien Campion downed the Rangers. Campion scored three times on pass plays and once on a four yard run. In the second half the Rangers developed some life and drove 87 yards which was capped off by a one-yard plunge by Ron Butzman for the score. Several key players missed the game because of injury and disciplinary measures.

TOAST OF THE TOWN

BASKETBALL

The Logan Rangers entered tournament play with determination and desire. Soon they found themselves in the State Tournament at Madison. In Regional play Logan downed Viroqua and the following night dumped Central by 18 points 55 to 37 for our third victory of the season over the Red Raiders. We clinched the Regional crown by downing Black River Falls as Dave Horton hit for 33 points. We then entered the Sectionals, slipping by Monroe 64 to 63 and Trempealeau 70 to 68. In the final game Guard Dave Robertson sank a 40 foot desperation shot as the horn sounded to put the Rangers into the State Tournament. At the State Tournament, Dave Horton represented Logan on the All-Tournament team. Jack Weber also received recognition from many of the All-Tournament teams. At the end of the season, it was announced that Dave Horton was selected as one of five players to be represented on the All-State Basketball Team.

Throughout the season the Rangers were led by the sparkling play of Dave Horton, Jack Weber, and Butch Johnson. For each of these boys, it was their second season on the starting five.

The intra-city games were as exciting as usual and our Rangers came out on top all four times. The first game was against Aquinas, which saw the Rangers coast to victory by the score of 60-44. Dave Larson led the attack with 20 points followed by Horton with 15. Against Central the Rangers had to go into an overtime before victory was won by a 43-42 score. Jack Weber stole the show as he scored the games tieing basket and then scored seven points in the overtime. Jack was high for the night with 14 points. In the second meeting with Central, the Rangers clinched the city championship by downing the Red Raiders 58-55. The game was tied up time and again before Logan swept to victory in the last minute of play. Dave Horton led the way with 16 points followed by Gary Johnson with 14. In the final intra-city tussle of the season, the Rangers trailed throughout the contest and finally caught the Blugolds in the last two minutes of play as the regulation game ended in a 48-48 tie. In the overtime, Horton tallied three points and Weber sank two free throws which iced the victory for Logan. Horton finished with 19 points followed by Weber with 17.

The Rangers played two of their finest games against always tough Eau Claire, downing the Old Abes 68-60 and 65-57. Another game to remember was the 92-69 victory over Tomah which saw Dave Horton dump in 37 points.

Dave Horton won the city scoring championship for the second season in a row with 386 points. Horton and guard Gary Johnson were both selected for the all-city team their junior year. Johnson finished the season with 240 points.

BASEBALL

The Ranger diamond squad coached by Mr. Harold Blank, assisted by Mr. Marshall Haugen, finished their 1958 season with a great record. They won 11 of 15 games, two of their wins over state baseball champion Eau Claire. La Crosse Central proved to be Logan's toughest foe winning both contests and also snatching the city championship. This was the winningest season for the Rangers in quite a few years. We increased our wins from three in '56 and six in '57 to 11 in '58.

Wayne Houser proved to be the backbone of the pitching department, winning nine while losing only three. Jim Longway came along in fine fashion winning two games for the Rangers.

In the hitting department Dave Larson hit a hefty .360 followed closely by George Nelson who had .357. Other batting figures were: Ed Gilbertson .302; Wayne Houser .297; and Bill Martin with .273.

Throughout the season Duane Johnson played beautiful defensive ball in left field. Johnson led in walks with 16. Gilbertson led in doubles with four while Larson had four triples and Houser two. George Nelson slammed out two home runs and drove in 16 runs to lead in those departments.

Logan lost four seniors including Jim Blank, Duane Johnson, Ken Ames, and four year letterman, George Nelson. The starting lineup for most of the games included: Gilbertson, catcher; Houser, pitcher; Martin, first base; Ames second base; Nelson, third base; Larson, shortstop; Johnson, left field; Blank, center field; and Griswold in right field. Tom Mc Cann also saw considerable action. Ron Young was lost for the season due to illness.

Big Ed in action.

TRACK

The 1958 Logan Ranger track team set the pace in spring sports by winning its eight dual meets and its only triangular meet. These "Cindermen" placed high in the standings in the Madison West Relays, Peacock Relays, and the Sectionals at Wisconsin Rapids.

Earl Howard, Roger Nickerson, Rich Doolittle, and Phil Nohr ended their four year careers with many fine performances. Phil Nohr set a new school 440 yard dash record, and Ronnie Butzman set the new 220 record. Other seniors who ended their high school careers were: Leon Rose, Don Nelson, Len Beranek, Robert Rasmussen, and, Bill Luhman.

Logan's fine weightmen Earl Jensen, Ralph Hembd, David J. Smith, Loren Wardwell, and, Jerry Hanson will all be back for a try at the records next season. Ralph and Earl came close to the discus record and Smitty is near in the shot-put.

The pole vaulting crew of Moss, La Fleur, Richmond, and, Beranek will be trying to fill the shoes of Earl Howard and Rich Schrader will be needing help in the high jump.

Difficult to replace will be the "Timber Toppers", Doolittle, Nickerson, and Beranek. These "Barrier Breakers" won many points for Logan.

Sprinters Butzman, Goyette, Weinke, Slaback, and Moss will provide speed as they did last spring. Richmond, Tooley, Urban, and J. Beranek will have to take over for Rose, Nelson, Rassmussen, and Mayo in the 880 and Mile.

Members of the freshman team won their two dual meets and will be called on for real help with the Varsity track teams as sophomores. Tom Nibbe, David Jensen, Craig Loomis, Don Howard, Dale Conrad, Stan Johnson, Fred Abraham, La Verne Grimslid, Pete Smith, John Yehle, and Jim Keim should do all right.

Coaches Aarstad and Sauer feel that this was one of Logan's finest track teams as they extended their unbeaten dual record to three years and finished strong, competing in class "A" for the first time.

TENNIS

The Logan tennis team, under the coaching of Mr. Earl Kolcinski, had a very successful season. The squad won five out of nine matches and tied one. The team practiced and played their home matches on the Copeland and Onalaska courts.

The 1958 season was the last for five veterans, and Coach Kolcinski will have to build from a crop of newcomers for the '59 season. The veterans included were the four year letter winners Oran Wilder and Jim Luehne. Other letter winners were Gary Zimmerman, Jule Smith, and Gordon Terpstra. Tony Krueger, Allen Mac Gregor, and Steve Fossum also participated in the 1958 competition.

GOLF, 1958

1958, under the able coaching of Coach Art Bronson, was a successful year for the Ranger "linksmen."

Logan had six returning lettermen for the '58 season. SENIORS—Jack Horton, Tony Lemke, and Don Field. JUNIORS—Dave Horton, Gary Johnson, and Harvey Ott.

Logan's golf team was City Champions in '58, as they defeated Central twice and split with Aquinas, winning one and losing one. Logan placed third in the "Little Olympics" at Menomonie, Wisconsin, as Gary Johnson toured the course in 76 strokes to capture medalist honors for the meet. Another fine accomplishment of the team was when they defeated Winona Cotter, Cotter was the Minnesota State Catholic Champs in '58.

In 1958 Logan lost four seniors through graduation. They were: Number three man Jack Horton, Number four man Tony Lemke, Number six man Don Field, and Number eight man Richard Nibbe.

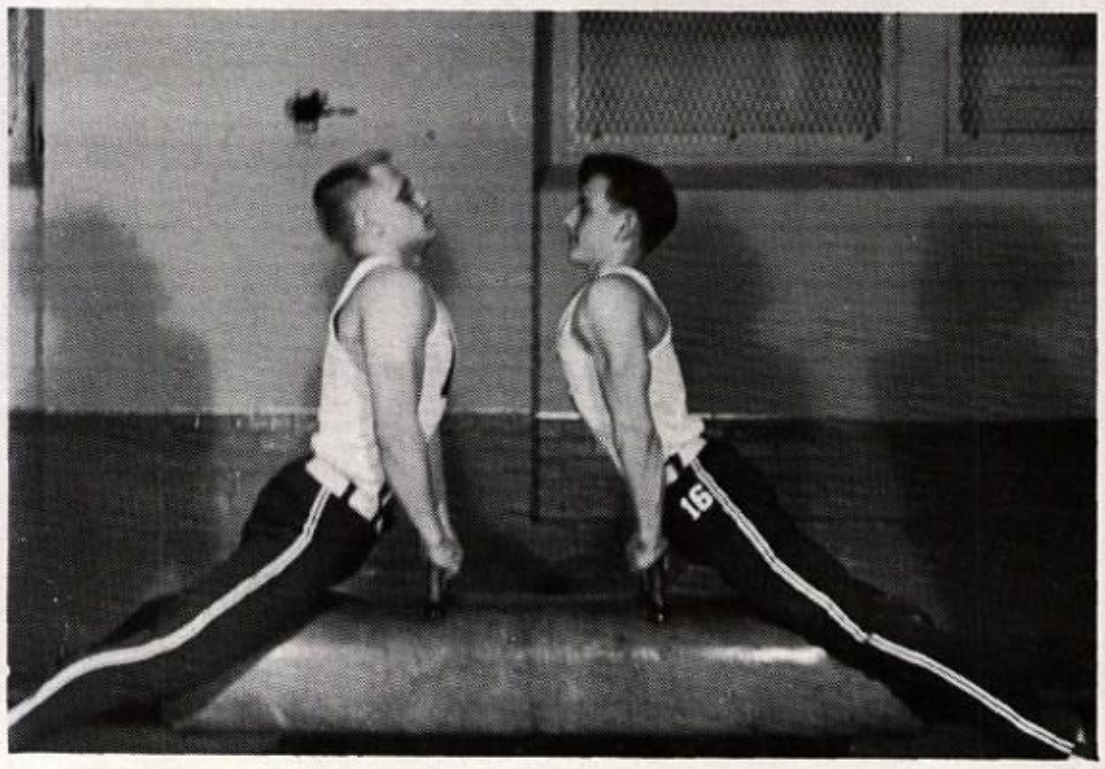
1959 prospects look good as there are seven returning lettermen. They are: Three year letter winner-Number 1 man Gary Johnson, two year letter winner-Number 2 man Harvey "Buster" Ott, three year letter winner-Number 5 man Dave Horton. Also the following single letter winners: Gary Lubinsky, Bill "Automatic" Rinartz; Dennis LaPoint, and Tom Knutson.

Dan Schaller and Ray Lorenz test the horizontal bar.

ROW 2: Art Wienke, Jim Beranek, Ron Ziebell, Ken Knutson, Ray Lorenz. **ROW 1:** Robert Rebhan, Dan Schaller, Alan MacGregor.

TUMBLING SQUAD

Ken Knutson does a difficult maneuver on the high bar.



Art Wienke and Dan Schaller practicing mounts on the horse.

Among the unsung athletes of Logan are the Gymnasts who are under the coaching of Mr. Ardie Aarstad. Perhaps you have seen these boys working hard at 3:10 in the old gym. Several times they journeyed to La Crosse State College, where they use the Trampoline, and receive expert advice from the college tumblers.

Members of the team are: Jim Beranck, Ken Knutson, Ray Lorenz, Alan Mac Gregor, Robert Rebhan, Dan Schaller, Art Wienke, and Ron Ziebell.

This year we have some of the finest tumblers in the history of Logan. They have participated at half-time of a basketball game along with other performances. One of the members, Ken Knutson, has done an exceptional job throughout the past three years. This year he placed first in the Junior Men's Division and he also placed in the parallel bar competition. These achievements were made even though Ken was the only high-school student entered.

Next year plans are being made for a combination of tumbling, wrestling, and apparatus. It is hoped that an earlier start will allow the boys more practice and experience.

Teaming up to do a shoulder-knee balance are: Ray Lorenz, Jim Beranek, Ken Knutson, and Alan Mac Gregor.

ROW 4: Bob Severson, Keith Larson, Gary Johnson, Dave Larson, Bill Martin, John La Fleur. **ROW 3:** David Robertson, Earl Jensen, Jim Longway, Gerald Hanson, Harvey Ott, Gary Lubinsky, Tom Mc Cann, Wayne Houser. **ROW 2:** Ed Gilbertson, Jim Beranek, Lauren La Fleur, Darrell Washburn, Ray Lorenz, John Yehle, Jerry Jensen, Monte Beck. **ROW 1:** Bill Rinartz, Loren Wardwell, Dave E. Smith, Joel Urban, Art Wienke, Bob Slaback, Dennis Richmond, Orby Moss.

ABLE ATHLETES

The L. C. Club is an organization to which all letter winners belong. The club, which is under the direction of Mr. Ray Nibbe, has no meetings, officers, or dues.

The members of the L. C. Club are those boys who have won a letter in one or more of the varsity sports at Logan. Some of the various jobs they do are ushering at football and basketball games, taking tickets, watching the doors, and keeping discipline.

The main purpose of the club is to promote good sportsmanship. The club members are found to be cooperative and active in school activities, and they maintain high scholastic standards.

We at Logan feel that this is one of our most valuable and necessary organizations. It is the goal of every boy who is out for athletics to win the letter that will make him a member of the L. C. Club.

Tom Mc Cann, Wayne Houser, Gerald Mc Henry, Jerry Jensen, Bill Rinartz

Recreation and Intramural League Basketball enjoyed another fine season of play under the guidance of Mr. Nibbe and Mr. Kielley respectively. Both leagues provide activity for those boys who do not participate in varsity basketball. This year the Blue Devils controlled both leagues with a combined record of twenty-two wins and no losses. These rugged cagers maintained an average of almost 80 points per game along with a fine defensive average. Twice they broke the century mark with scores of 110 to 18, and 123 to 49. In the latter game they scored 48 points in the last quarter. Wayne Houser led the "DEVILS" in scoring with a 24 point average, the high of the league.

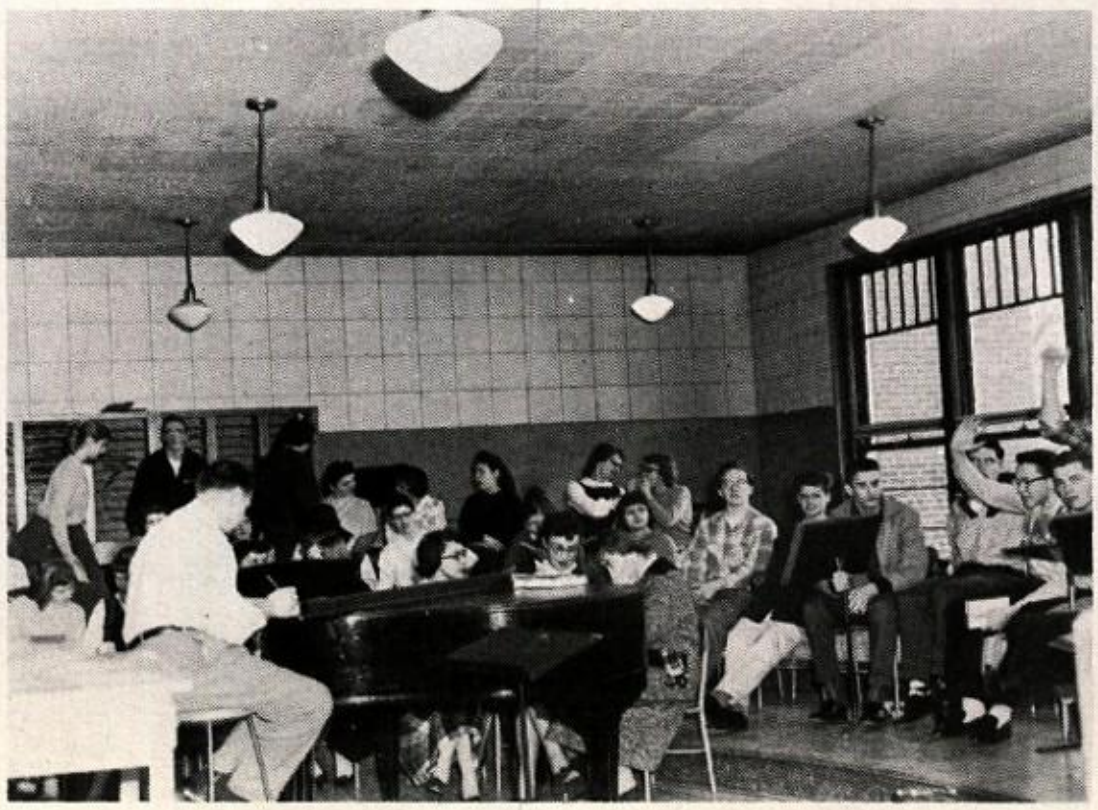
What do our Thanksgiving observance, Christmas program, Easter assembly, Memorial Day service, and baccalaureate excercises all have in common? Selections by the Logan A Capella Choir, of course! Donned in striking white robes with brilliant red satin stoles, its seventy members, under the direction of Mr. Loyd Mieden, can always be depended upon to present an outstanding program.

The A Capella Choir also performs for various civic organizations, makes radio broadcasts over one of the local stations, and sings in the annual spring concert and can be called upon for both sacred and secular numbers.

One of its annual projects is putting on either a musicale or operetta. "Blow Me Down", the operetta put on this year, took place on a pirate ship, "The Black Death." Captain Kidd and his crew bemoaned the fact that piracy was no longer the flourishing business it had been when his famed ancestor roamed the seas. Thus, a new venture, that of opening a cabaret, was embarked upon. The problem of waitresses was solved when Miss Pettigrew, Dean of Hartwell School for Girls, and her students, one of whom was Nancy Todd, came aboard and were held as prisoners. The situation proved to be quite a lark especially when two pirates, Jake and Portugee Pete, discovered that Bob Trent, director of a student tour who had been appointed first mate by the captain, had broken a pirate law by making love to Nancy. The two pirates, having decided to use this as a means of getting revenge on Bob, changed their minds when Dutchy, the cook, exposed Pete and Miss Pettigrew's love affair. After coming aboard the ship to look things over, Mrs. Todd, proprietress of a tea room, was surprized to find that the captain was the long-lost husband whom she had been looking for. With so many love affairs brewing, Captain Kidd decided that no one should be punished for breaking the law, and, with his daughter Nancy, he joined the rest of the cast in a happy ending.



Believe it or not this candid shot is of the same choir that always looks so sharp and neat at many of our assemblies.

MIEDEN'S MAESTROS

Echoing down the halls during the sixth period, are the familiar sounds of the Logan Orchestra. Violins, violas, cellos, bass viols, clarinets, French horns, bassoons, flutes, saxaphones, trumpets, and trombones blend to form one harmonious sound, under the able baton of Mr. Loyd Mieden.

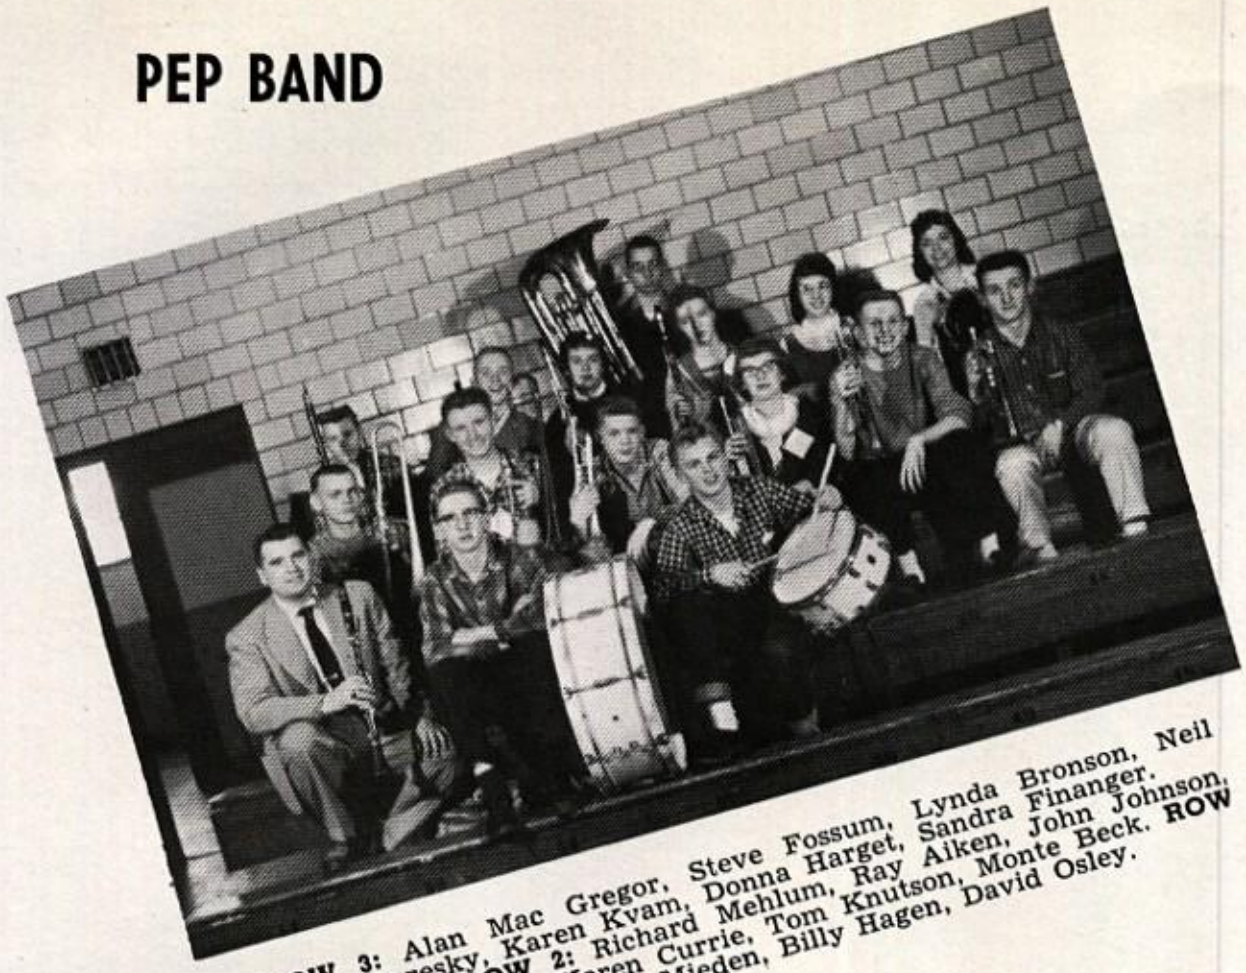
As in the past, the orchestra has several very important regular performances. They provide music for the Thanksgiving assembly. They teamed up with the choir for the finale, "A Thanksgiving Fantasy." A Christmas overture was played for the opening of the Christmas program. They played a section of music for the Spring Concert. They also spent many long hours rehearsing with the choir in order to accompany them in the operetta, "Blow Me Down."

The biggest, and probably most important performance by the orchestra, is their playing for baccalaureate, and commencement ceremonies. They are the only non-graduating students at Logan who are privileged to attend both of these ceremonies. They enjoy it, and look forward to it eagerly each year. At this time, it is their pleasant duty to play the processional and recessional marches as the graduating seniors march down the center aisles.

Awards are given on a special merit system. A certain number of points are given for attendance, performances, solos, and other things. They are expected to attend any special rehearsals that are called outside of school time. A red and white letter, in the form of a lyre, is given to an award winner only once, and each following year he participates, a gold bar is given to add to the letter.

Work in the orchestra helps to widen the special abilities and talents of its members. They learn to enjoy playing both good modern music, and classical music. It is an enjoyable experience to be a member of this organization.

PEP BAND



ROW 3: Alan Mac Gregor, Steve Fossum, Lynda Bronson, Neil Duresky, Karen Kvam, Donna Harget, Sandra Finanger. **ROW 2:** Richard Mehlum, Ray Aiken, John Johnson, Karen Currie, Tom Knutson, Monte Beck. **ROW 1:** Mr. Mieden, Billy Hagen, David Osley.

When basketball season rolls around, the Pep Band of Logan High School is organized and starts to prepare many delightful tunes for the spectators.

Pep Band is composed of members selected by director, Mr. Loyd Mieden, from the marching band. The practice sessions are held weekly on Thursday afternoons after school or during "B" team basketball games.

This is the second year that Pep Band has existed at Logan. They play variations of famous songs everybody knows.

Pep Band took one out-of-town trip to a basketball game this year and really pepped things up.

The members of this spirited group are:

Dave Osley, Bill Hagen, Donna Harget Steve Fossum, Sandy Finanger, Karen Currie, Tom Knutson, Monte Beck, John Johnson, Don Jobe, Al Mac Gregor, Lynda Bronson, Karen Kvam, Sue Austin, Niel Duresky, Ray Aiken, Sharon Lukwitz.

DIXIELAND

"Sugar and Spice and everything nice." That sums up the music of the "Dixielanders."

They specialize in Dixieland, but polkas, romantic ballads, swing, or any type of music you want, they can give you.

You may find them practicing together every Tuesday and Thursday noon hour in Room 207. Three hour practice sessions are held almost weekly at Trinity Lutheran Church or at the home of one of its members. Every member practices alone many hours a week to improve himself and to work on hard passages.

All members are in the Logan High School Recreation Swing Band with the exception of Tim Johnson, the manager, who is now attending La Crosse State Teachers College.

This is the second year they have been playing as a group and wish to continue after graduation.

DIXIELAND BAND: Alan Mc Gregor, Steven Fossum, Neil Duresky, Mike Kersten, Ray Aiken.

ROW 4: David Osley, Bill Hagen, Ambrose Goyette, Mike Main. **ROW 3:** David Gallup, Mike Kersten, Donald Jobe, Tom Knutson, Susan Schmuck, **ROW 2:** Mary Anderson, Jayne Hanson, Karen Jensen, Karen Kvam, Sue Austin, Lois Phillips. **ROW 1:** Mary Erickson, Nancy Keller, Sharon Farley, Colleen West.

MARCHING MASTERS

It is fall, and if you hear the thump of drums, and the crash of cymbals, the blare of trumpets, and the echoes of woodwinds during the first period, you may be sure that the Logan Senior Band is marching down to Swanson Field to practice their formations for the football game on Friday.

The delightful formations which you witness during the halftime ceremony of all our home games are under the direction of Mr. Loyd Mieden.

The most important of the shows is one put on for the Football Festival game. This year the theme was "Around the World in Eighty Days." The band took the spectators to many far off lands, and then returned to America, where football reigns supreme, to present the court.

Our band marches in the La Crescent Apple Festival Parade, and in the Memorial Day Parade. Each year they are asked to participate in the La Crosse State Homecoming Parade, to accompany our Festival Court.

When winter sets in, the band turns to practicing for the basketball games. A small Pep Band is chosen, consisting of about fifteen members. This band plays for most of the home games.

The band's only concert performance is the annual Spring Concert, in which they play a section of varied music. They play in uniform for the yearly Memorial Day Assembly, adding much color to the ceremony. Every other year, they play for the ceremony at the cemetery following the Memorial Day Parade.

Since the band is an important representative body of the school, the members take their positions seriously, and put in much hard work so that the students at Logan will be proud of their band.

ROW 4: Neil Duresky, Richard Mehlum, Ray Aiken, Sandra Finanger, Charlene Outcelt, Linda Hansen. **ROW 3:** Sharon Lukwitz Donna Harget, Elaine Cooper, Karen Johnson, Carol Rethlefsen, Geraldine Cagle. **ROW 2:** Barbara Allen, Anita Hendrickson, Pat Lindvick, Charlene Terpstra, Lynda Bronson, Alan McGregor, **ROW 1:** Judy Burch, Linda Tabbert, Mary La Fleur.

As the picture indicates, you have to be different to succeed.

ROW 2: Neil Duresky, Mike Kersten, Monte Beck, Mr. Mieden, Karen Currie, Tom Knutson, John Johnson, David Osley, Bill Hagen, Donald Jobe, Lynda Bronson. **ROW 1:** Richard Mehlum, Ray Aiken, Alan Mc Gregor, Steve Fossum, Sharon Lukwitz, Donna Harget.

SWING BAND

Starting in November and ending in April, a series of Jive Hive Dances are held in the Logan High School Gymnasium. The music is provided by the Logan Recreation Swing Band under the direction of Mr. Loyd Mieden.

Come rain or come shine the sixteen members faithfully attend practices every Tuesday evening from 7:30 to 9:00. The music that is played ranges from the old standards of twenty years ago to the popular songs of today.

One hour of each dance this year was broadcast over radio station "WKTY." Ron House was master of ceremonies. He interviewed many students and gave each one a certificate for a free carton of Coca Cola.

This year instead of the tradition Variety Show, a minstrel show was put on by the members of the band. Only the members and others, who were needed to make the show a success, participated.

Another one of the band's yearly projects is a trip to the Veterans' Hospital at Tomah, Wisconsin. The trip was enjoyed by all.

Swing band also has had the opportunity to play for various assemblies held in the auditorium, such as award assemblies and the play assembly.

Shown above are the cooks of today who have provided many meals for those students who eat their lunch at school, while those in the left are cooks of tomorrow.

Ann Wartinbee, Joanne Harget, and Tom Lee are the leading roles in the Operetta.

Linda Hanson and Stan Johnson about to find Tom Lee.

OPERETTA

Renegade pirates, riggings of a pirate ship, and a beautiful sea scape set the stage as the Logan music department put on its annual operetta. "Blow me down" was the favorite expression of the captain, a descendant of Captain Kidd; he was aided by Dutchy, the cook; Portugee Pete, Jake, and Ben, who are in real life Tom Lee, Gene Mason, Bob Hare, Dale Conrad, and Buzz Abraham. This pirate crew turned the ship into a cabaret.

Students from a school were kidnapped to provide waitresses, and with them, Miss Pettigrew, their dean (Ann Wartinbee). Romance was provided in the characters of Nancy and Bob (Joanne Harget and John Strehl) and by Slim and Judy (Stan Johnson and Judy Kraft).

The operetta proved to be one of the best in Logan's history, as the cast, excellently chosen by Loyd Mieden, director, played their parts very convincingly. Mrs. Somdahl, Mr. Burt Smith, Mrs. Vivian Drake, and Mrs. Lila Newhouse assisted Mr. Mieden.

Karen Currie and Harold Miller shown in scene from "Monkey's Paw."

Arnold Stearns displays the majestic monkey's paw.

Top: Shown in the Nativity scene are: Karen Knutson, Mary Molstad, Joanne Harget, Linda Taylor, and John Lokken.
Bottom: A scene from the Operetta, "Blow Me Down."

DRAMATICS

Interest in dramatics was stimulated by invitations to a drama clinic; and later, to two college plays; by a rehearsal of "The Monkey's Paw" in a display window of a downtown department store during American Education Week in November; and by participation in "Everywhere Christmas" and the operetta, "Blow Me Down", produced by the combined efforts of various departments.

Among the familiar faces were some new ones as Monte Beck, Tom Nibbe, and Arnie Stearns presented a philosophy about wishing, in "The Monkey's Paw". Returning players from the senior class presented a three-act comedy, "Papa Is All", in April, but the "Cut!" stopping action had lost the masculine thunder of the late John M. Harlan. For fifteen years his name had become synonymous with the theatre activity he had directed at Logan High School.

Varied productions, coached by Mrs. Marilyn Somdahl, provided experience in serious dramatics, pantomime, and comic settings.

Bob Hare, Dale Conrad, Tom Lee, Fred Abraham, and Eugene Mason are pirates in the operetta.
